

Indiana State Department of Health

Approved Physicists and Inspectors

available for consulting in Indiana

As of July 14, 2006

This list is provided as an aid to radiation machine facilities in finding a consultant to meet the various requirements of 410 IAC 5. The "Region Served" information is intended as a guide to assist facilities in determining which consultant might be willing to do work in that facility's area. If you have any questions regarding this list, please contact the x-ray machine compliance coordinator at AC 317/233-7563.
